

## Centre for Biosecurity and Biopreparedness

Statens Serum Institut  
Artillerivej 5  
DK-2300 Copenhagen S

Please read the "Instructions for completing the application form", before completing the application form. **The application form must be sent by registered post** to the above address, together with a vulnerability and security plan form, which can be obtained from the CBB. NB: A vulnerability and security plan form is not to be submitted, if the toxins applied for do not include production of toxins and do not exceed the amounts specified in Table 1. at [biosikring.dk/eng/What is subject to control?](https://biosikring.dk/eng/What%20is%20subject%20to%20control?)

### 1. Specification of category

#### a. Controlled material

- Biological substances
- Delivery systems
- Related material

#### b. Laboratory diagnostics

- Clinical microbiology department
- Other. Please specify \_\_\_\_\_

#### c. Retailer

- Retailer of controlled material *(also tick off which materials in Section 1.a.)*

### 2. Contact information

#### a. The company's contact information

Name of company	
Road	
Postcode and City	
Telephone number	
CVR number	

The company's own notes:

b. The site's (department/production location) contact information

Name of the site	
Road	
Postcode and City	
Telephone number	
P number	

3. Information on the biosecurity officer

Name	
Personal registration number	
Work phone	
Work mobile phone number	
Email address	
Education degree	
Job description	
Employment conditions	

- Took part in the course for future biosecurity officers. Enter the date\_\_\_\_\_
- Has submitted course registration

4. Information on any additional biosecurity officers

Name	
Personal registration number	
Work phone	
Work mobile phone number	
Email address	
Education degree	
Job description	
Employment conditions	

- Took part in the course for future biosecurity officers. Enter the date\_\_\_\_\_
- Has submitted course registration

The company's own notes:

## 5. Information on the responsible manager

Name	
Job description	

Address

Work phone	
Email address	
Road	
Postcode and City	

## 6. Information on biological substances, delivery systems and/or related material

a. The type of biological substances, quantity and storage location

Biological substance	Quantity	Building	Room

The toxins applied for do not include production of toxins and the toxins do not exceed the amounts specified in Table 1. at [biosikring.dk/eng/What is subject to control?](http://biosikring.dk/eng/What%20is%20subject%20to%20control?)

Comments

--

b. The type of delivery systems and/or related material, quantity and storage location

Delivery systems and/or related material	Quantity	Building	Room

Comments

--

## 7. Description of purpose

### a. Description of purpose, and schedule (attach as Appendices)

### b. The main responsible for the project

Name	Education degree	Job description

The company's own notes:

c. Associates related to the purpose/activity

Company Name	CVR number	Contact name

d. Total resource consumption of the purpose/activity

Internal financing (if the activity is of a fixed duration, specify the amount)	External funding (specify which and the amount)

8. Appendix

A vulnerability assessment and security plan must be attached to the application as Appendices. Exempted are applications for possession, use and storage of toxins.

9. Signature

The responsible manager

Name	
Date	
Signature	

The site's biosecurity officer

Name	
Date	
Signature	

The site's biosecurity officer (if more than one)

Name	
Date	
Signature
