Retailers and companies subject to Executive Order no. 981 of 15 October 2009 must submit annual reporting of inventory before March 1 of each calendar year to CBB, even if there has been no stock movements or purchases and sales during the year.

Form for annual reporting of inventory must be submitted together with completely updated copies of all annual inventory lists. The most recent inventory list must be current, i.e. as close to March 1 as possible. See "Guidelines for completing annual reporting of inventory" for further information.
